

SHARE YOUR EXPERIENCES WITH FLOODING OR DROUGHT

Calling all small farms in California!

Has flooding or drought impacted your farm or ranch?
What kind of support do you need if extreme weather events continue?

Share your experience with us by taking our extreme weather survey!

Your input helps the UCCE Small Farms Network inform policy efforts and grant programs that directly support small-scale farmers.

To take our extreme weather survey,
scan the QR Code or visit:
<https://ucanr.edu/ExtremeWeatherSurvey>

**Upon completion of the survey enter to win a \$100 gift
card to the farm supply store of your choosing!**
